**Response to Line 510 - Service Quality Standards and Consumer Protection Rules
Compliance – Voice and Broadband**

In establishing this certification in its *2005 ETC Order*,¹ the FCC found that an ETC must make “a specific commitment to objective measures to protect consumers.”² The Commission found that for wireless ETCs, compliance with CTIA’s Consumer Code for Wireless Service would satisfy this requirement” and that the sufficiency of other commitments would be considered on a case-by-case basis.³ In this context, the FCC stated, “to the extent a wireline or wireless ETC applicant is subject to consumer protection obligations under state law, compliance with such laws may meet our requirement.”⁴

Delta Telephone Co., Inc. (“Company”) hereby certifies that it is complying with applicable service quality standards and consumer protection rules of the Mississippi Public Service Commission (“MPSC”). The Company is subject to consumer protection obligations under state law. These obligations include, but are not limited to, the following: (1) filing a Local Exchange Tariff pursuant to the requirements of the MPSC which disclose rates, terms, and conditions of service to customers; (2) adherence to state consumer protection requirements

¹ *Federal-State Joint Board on Universal Service*, CC Docket No. 96-45, Report and Order, FCC 05-46 (rel. Mar. 17, 2005) (“*2005 ETC Order*”).

² *Id.* at para. 28.

³ *Id.* The FCC noted that under the CTIA Consumer Code, wireless carriers agree to: “(1) disclose rates and terms of service to customers; (2) make available maps showing where service is generally available; (3) provide contract terms to customers and confirm changes in service; (4) allow a trial period for new service; (5) provide specific disclosures in advertising; (6) separately identify carrier charges from taxes on billing statements; (7) provide customers the right to terminate service for changes to contract terms; (8) provide ready access to customer service; (9) promptly respond to consumer inquiries and complaints received from government agencies; and (10) abide by policies for protection of consumer privacy.” *Id.* at n. 71.

governing telephone providers under Title 39 Utilities, Part III rules and Regulations Governing Public Utility Service, Subpart 1, General Rules, and Subpart 3, Special rules – Telephone Companies, including requirements for customer service, billing, consumer complaints, rates and charges, and slamming, under Mississippi Code Annotated Title 77, Chapter 3 statutes; (3) truth-in-billing requirements; and (4) CPNI, Red Flag Rules and other applicable federal and state requirements governing the protection of customers' privacy.

Delta Telephone Co., Inc. is also subject to consumer protection obligations for broadband services under federal law. These obligations include, but are not limited to, the following: public disclosure of accurate information regarding network management practices, performance, and commercial terms of broadband internet access services; as a means of providing sufficient information for consumers to make informed choices regarding use of such services, and for content, application, service and device providers to develop, market, and maintain internet offerings as specified in F.C.C. 47 C.F.R. Part 8 §8.3. The Company certifies that it meets these obligations.

The Company furthermore will comply with all requirements set forth in the *2015 Open Internet Order*, as it applies to the Company.

Response to Line 610 - Ability to Function in Emergency Situations for Voice and Broadband

Delta Telephone Company, Inc. (“Company”) hereby certifies that it is able to function in emergency situations as set forth in the Code of Federal Regulations, Title 47, Part 54, Subpart C, §54.202(a)(2)¹ and in accordance with the orders in Mississippi Public Service Commission Docket No. 2005-AD-662. The Company’s network is designed to remain functional in emergency situations without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations as required by Section 54.202(a)(2). The Company can change call routing translations as needed to reroute traffic around damaged facilities. Changing call routing translations also allows the Company to manage traffic spikes throughout its network, as emergency situations require.

Specifically in accordance with the orders in Mississippi Public Service Commission Docket No. 2005-AD-662, the Company has a reasonable amount of backup power to ensure functionality without an external power source, is able to reroute traffic and manage traffic spikes. In addition, the Company has comprehensive emergency operations plans in place and will adhere to FCC reporting requirements regarding outages and provide copies of such reports to the Mississippi Commission upon request.

The Company’s standby generators and battery back-up support both voice and broadband network equipment should an emergency situation occur.

¹ Section 54.202(a)(2) requires ETCs that are designated by the Commission to “demonstrate its ability to remain functional in emergency situations, including a demonstration that it has a reasonable amount of back-up power to ensure functionality without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations.”

3. All applications for this service are subject to verifications with the state agency responsible for administration of the qualifying program until such time the FCC establishes the National Verifier System and it is in effect for verification. The Company may request any additional documentation deemed necessary prior to providing Lifeline benefits such as an administrating agency's official designation of eligibility in a particular means-based program sub-paragraph B.1., above, and that the telephone subscriber is the financially responsible party for the qualifying member of his or her household, or that the eligible household member is the telephone subscriber's dependent pursuant to the rules and regulations of the Internal Revenue Service. (N)
4. Effective through December 31, 2016, the Company will reconcile and confirm eligibility periodically pursuant to FCC Order 12-11 and Third Report and Order, Further Report and Order and Order on Reconsideration FCC 16-38 adopted March 31, 2016. Lifeline subscribers who are subsequently determined to be ineligible shall be notified of their ineligibility in writing by the Company and provided 60 days from the date of such notice to rectify or otherwise demonstrate their eligibility prior to the discontinuance of their Lifeline benefits. All unresolved disputes regarding Lifeline eligibility shall be brought to the attention of the Commission for resolution. (T) (N) (D)
5. Beginning January 1, 2017, subscribers already enrolled will be subject to the rolling recertification's based on their current service initiation date. The rules establishing and related to rolling recertification will be effective for all enrollments made beginning on or after January 1, 2017. Under the FCC Third Report and Order and the Order on Reconsideration, FCC 16-38 (adopted March 31, 2016), the order establishes the creation of a National Verifier. Upon establishment of the National Verifier the Company will comply with the rules and regulations of the National Verifier system for determining subscriber lifeline eligibility. (N)
6. A subscriber may elect at the time of subscription to Lifeline Assistance to receive toll blocking as part of Lifeline Assistance at no charge. "Toll Blocking" is a service that allows a subscriber to elect not to allow the completion of outgoing toll calls from the subscriber's residence. Local service deposit requirements will be waived for customers who voluntarily receive Toll Limitation Service.

7. Lifeline Assistance will not be disconnected for non-payment of toll charges, however, in the event toll charges are not paid within 10 days of the mailing of the Company bill, the Company will implement Toll Blocking immediately thereafter. In addition, the Company will not deny re-establishment of local service to customers who are eligible for Lifeline Assistance and have previously been disconnected for non-payment of toll charges. Lifeline Assistance will not be connected if an outstanding balance is owed by the customer for local service.
8. The Company may not collect a service deposit in order to initiate lifeline Assistance if the qualifying low-income subscriber voluntarily elects toll blocking from the Company, where available. If toll blocking is unavailable, then the Company may charge a service deposit.
9. To increase Lifeline service stability, the FCC Order implements port freezes. A subscriber must stay enrolled in a qualifying Lifeline supported broadband internet access service for twelve (12) months and with Lifeline supported voice telephone provider for sixty (60) days. Exception to these rules are:
 - a. A subscriber who is moving to another location, or
 - b. The service provider is ceasing to offer services in the area where the subscriber resides.
10. Only one Lifeline service is available per residential household pursuant to FCC Order 12-11 and Third Report and Order, Further Report and Order and Order on Reconsideration, FCC 16-38 (adopted March 31, 2016). A household is any individual or group of individuals who are living together at the same address as one economic unit. A household may include related and unrelated persons. An "economic unit" consists of all adult individuals contributing to and sharing in the income and expenses of a household. An adult is any person eighteen years or older. If an adult has no or minimal income, and lives with someone who provides financial support to him/her, both people shall be considered part of the same household. Children under the age of eighteen living with their parents or guardians are considered to be part of the same household as their parents or guardians. A household is not permitted to receive Lifeline benefits from multiple providers.
11. A Lifeline customer may subscribe to any local service offering available to other residential customers.
12. The PIC charge will not be billed to Lifeline customers who subscribe to toll blocking and do not presubscribe to a long distance carrier.

Delta Telephone Company (SAC 280452)

Response to Line 3010 – Milestone Certification (47 CFR §54.313(f)(1)(i))

Delta Telephone Company hereby certifies that throughout 2016, it took reasonable steps to provide upon reasonable request broadband service at actual speeds of at least 10 Mbps downstream/1 Mbps upstream, with latency suitable for real-time applications, including Voice over Internet Protocol, and usage capacity that is reasonably comparable to comparable offerings in urban areas and that requests for such service are met within a reasonable amount of time. If a request for broadband service at actual speeds of at least 10 Mbps downstream/1 Mbps upstream is unreasonable, the Company offers broadband service at the highest available speed.
